

Handelsbanken Global Högutdelande Criteria (B1 EUR)

The fund is an index fund and aims to follow the development of the index Solactive ISS ESG Global High Dividend Low Volatility index. The fund invests in companies, in the global stock markets, with high dividend and low volatility. Given that investments are made in foreign equities denominated in currencies other than the fund's base currency, fund investments are associated with currency risk. For this fund, the fund company's Enhanced exclusion level applies. For information about sectors that the fund excludes, see the Detailed information tab. The fund is reported as an Article 8 fund pursuant to EU regulation 2019/2088 on sustainability-related disclosures in the financial services sector (SFDR).
