

Handelsbanken Infrastruktur och Beredskap

The fund invests in companies associated with European infrastructure and resilience. The investments are made in companies that ensure basic functions in a society, such as transport, communication, energy, water, defense, health care, social security buildings and property structure. The fund is rules-based and systematically managed, which means that the fund uses a clearly-defined systematic model for the selection and weighting of companies in the fund. For this fund, the fund company's Basic exclusion level applies. For information about sectors that the fund excludes, see the Detailed information tab. The fund is reported as an Article 8 fund pursuant to EU regulation 2019/2088 on sustainability-related disclosures in the financial services sector (SFDR).
