

Handelsbanken Global Småbolag Index Criteria

The fund is an index fund with the objective of following the performance of the Solactive ISS ESG Screened Paris Aligned Developed Markets Small Cap Index. Given that investments are made in foreign equities denominated in currencies other than the fund's base currency, fund investments are associated with currency risk. The aim of the index is to reflect the performance of small caps worldwide in the global equity markets, excluding those companies that do not meet the sustainability requirements of the index. For further information, please refer to the fund's prospectus. The fund is reported as an Article 9 fund pursuant to EU regulation 2019/2088 on sustainability-related disclosures in the financial services sector (SFDR).
