

Handelsbanken Global Digital

The fund is actively managed and invests in equities issued by companies that are considered as being positively affected by the digitalization investment theme. Investments are made globally and the fund thereby has a currency exposure. Digitalization is a theme that can span across several sectors and regions. The fund invests within sectors such as information technology and communication services. For this fund, the fund company's Enhanced exclusion level applies. For information about sectors that the fund excludes, see the Detailed information tab. The fund is reported as an Article 8 fund pursuant to EU regulation 2019/2088 on sustainability-related disclosures in the financial services sector (SFDR).

Historical yields are not a guarantee of future returns. A fund can both increase and decrease in value and it is not guaranteed that you will recover the entire invested amount. Note that a fund with risk level 5-7, as stated in the fund's fact sheet (KID), can vary greatly in value due to the fund's composition and management methodology. The prospectus, fund rules and KID are available under each fund. [Summary of investors' rights.](#)
