

Handelsbanken Japan Tema

The fund is actively managed and invests in equities issued by companies in Japan and thereby has a currency exposure to this market. The thematic investment strategy provides for investments that occur in a limited area in which development is deemed to result in a structural change to the economy and society. This change provides favorable conditions for companies active within the area to create profitable growth over time. For this fund, the fund company's Enhanced exclusion level applies. For information about sectors that the fund excludes, see the Detailed information tab. The fund is reported as an Article 8 fund pursuant to EU regulation 2019/2088 on sustainability-related disclosures in the financial services sector (SFDR).
